Who is SVHSA?

SVHSA is a group of horse show enthusiasts dedicated to promoting local equine events. SVHSA consists of a board of directors that handle all aspects of the planning, scheduling, and administration of the events. The Board of directors are hand picked and officers are elected by the board members.

What does SVHSA do?

SVHSA gathers points and keeps records of it's membership as they show at approved SVHSA shows.

What area does SVHSA cover?

We are currently open to shows in Lancaster, Lebanon, York, Dauphin, Perry, Cumberland, Schuylkill, and Berks counties.

What do you get with membership in SVHSA?

SVHSA will post the point standings on the SVHSA website, that will be updated after any event. Your show will also be included on the SVHSA calendar of events.

Your show will then be a place for exhibitors to gather more points to win awards, therefore bringing more exhibitors to your show.

The SVHSA will also try to help shows avoid scheduling conflicts with shows that are offering the same type of classes to maximize attendance to all SVHSA Shows. Mileage restrictions may apply.

How much does it cost to add my show to the SVHSA?

Membership in the SVHSA is \$25 per show or \$50 for a series (Must have same prizelist to be considered a series). Use the provided guide for adding qualifying classes to your prize list. Check the website for more details.

Does my show have to include all the suggested classes?

No. Horse shows can choose to include as many classes or divisions as you would like, though a wide offering may bring more point chasers to your show.

How do I register my horse show?

Fill out the provided application, send it and a prizelist for your event along with a check to SVHSA, 9 Mine Rd., Lebanon, PA 17042.

What must I do after my show?

The horse show manager/secretary must send either an excel document with the results or a paper copy of the results to SVHSA. Electronic files can be e-mailed to results@svhsa.net. Results MUST be submitted to SVHSA within 2 weeks after your event.
